

**SPILL
TACKLE**
Tough Spills get TACKLED!

The logo is positioned on the right side of the white box. It consists of a stylized black silhouette of a person wearing a hard hat and holding a long-handled tool, possibly a spill containment boom or a similar piece of equipment. The figure is set against a solid orange rectangular background. To the right of this graphic, the word "SPILL" is written in a bold, black, sans-serif font, and "TACKLE" is written in a larger, bold, orange, sans-serif font. Below the main text, the tagline "Tough Spills get TACKLED!" is written in a smaller, italicized, black, sans-serif font.

INTRODUCING

the **easiest** way to tackle **tough spills**.

Having a **safe** and **efficient** workspace is a priority for you – as it should be.

Spill Tackle is here to help you accomplish that. Our products were made to turn big messes into small inconveniences. Since 2016, we've been cleaning up spills in auto shops, warehouses, factories, and more. We're not only the most effective absorbent on the market, we're also the most cost effective and environmentally friendly.

INDUSTRIES WE'VE WORKED WITH:

- Oil & Gas Exploration
- Transportation & Logistics
- Environmental Response & Recovery
- Haz-Waste Hauling & Disposal
- Food Processing Companies
- Manufacturing & Fabrication Facilities
- Rendering Plants
- Landfills & Scrapyards
- Power and Utility Companies
- City, County & State Municipalities
- School Districts
- Janitorial & Sanitation

SOME OF OUR CLIENTS INCLUDE:

- American Airlines
- Georgia Pacific
- Enterprise Products
- Primoris
- Amazon
- Wayne Farms
- and many more.

UNLIKE OTHER ABSORBENTS

Spill Tackle is a patented blend of repurposed by-products that create a superior performing absorbent product with an environmental footprint second to none.

ABSORBS ON CONTACT

Powerful wicking action draws the spill out of difficult surfaces like cement or asphalt.

NO RESIDUAL MESS

Built to finish the job completely and not require a pad or mop for trace spill residue.

LESS DUST = SILICA FREE

Unlike clay, our all-natural, biodegradable product contains zero carcinogens.

EPA LEACHATE APPROVED

The EPA has decided our product does not leach spills back into the environment.

DECOMPOSES HYDROCARBONS

No Magic. Just Science. Naturally breaks down petroleum fluids and other simple hydrocarbons.

ENVIRONMENTALLY SUSTAINABLE

One man's trash is another man's treasure. Created with repurposed waste streams.

6X MORE ABSORBENT THAN CAT LITTER

CONTAINS ZERO HAZARDOUS CRYSTALLINE SILICA

USDA BIOPREFERRED

USEPA LEACHATE TESTED

PASSES PAINT FILTER TEST FOR DISPOSAL

EFFECTIVE ON A WIDE RANGE OF STUBBORN FLUIDS

SPILL TACKLE BAGS

Our wide range of bag sizes offers convenient solutions for everyday spills of all sizes – from small messes in auto shops to highway spills and massive cleanup projects.

TWO POUND BAG

Our smallest size, containing 2lbs of loose Spill Tackle – perfect for small spills, resealable, and easily stored on a shelf, under a seat, or in a toolbox.

PRODUCT: Spill Tackle 2lb Bag

SKU: ST2B10

CASE QTY: Ten 2lb bags/case

PALLET QTY: 45 case/pallet (450, 2lb bags total)

BAG SPEC: 9.5"x11.5"x3"

CASE SPEC: 20"x14"x8"

PALLET SPEC: 40"x48"x64"

FIVE POUND BAG

A heavy-duty, resealable bag containing 5lbs of loose Spill Tackle, that can be stored under a seat or in a tool box. The Spill Tackle 5lb bag is equivalent to up to 30lbs of clay, reducing weight, and is ideal for medium size operations that deal with spills on a regular basis.

PRODUCT: Spill Tackle 5lb Bag

SKU: ST5B4

CASE QTY: 4-5lb bags/case

PALLET QTY: 48 cases/pallet, (192, 5lb bags total)

BAG SPEC: 13"x14"x3.5"

CASE SPEC: 20"x10"x8"

PALLET SPEC: 40"x48"x64"

“ We switched to Spill Tackle because it’s sustainable, creates less hazardous waste than other products, and encapsulates petroleum fluids unlike clay. ”

LEE EDINGTON, E-ENVIRONMENTAL SOLUTIONS

TWENTY POUND BAG

The ideal solution for large or commonplace spills, this bag contains 20lbs of loose Spill Tackle – enough to absorb 8-10 gallons of fluid. The 20lb bag is equivalent to 120-150lbs of standard clay absorbent and is ideal for gas companies, large manufacturing and industrial plants, spill response operations, and more.

PRODUCT: Spill Tackle 20lb Bag

SKU: ST20B1

PARCEL QTY: 2-20lb bags/bos

PALLET QTY: 70, 20lb bags/pallet (1450lbs total)

BAG SPEC: 19" x 28" x 4"

PALLET SPEC: 40" x 48" x 64"

SUPER BAG

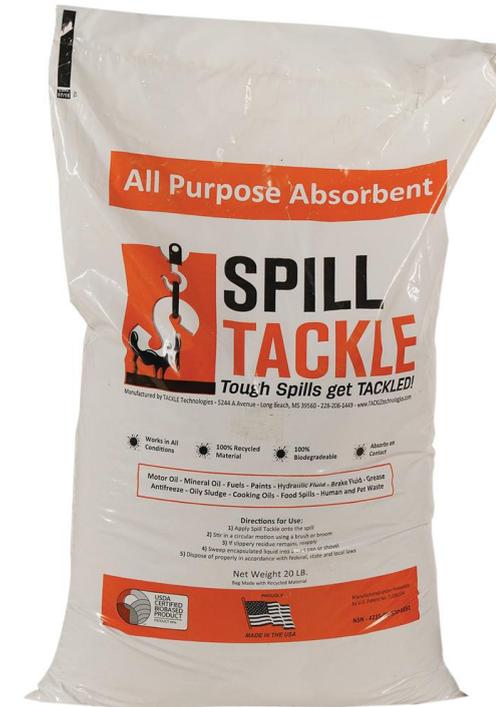

1 large, open-spout sack with roughly 1250lbs of loose Spill Tackle absorbent and forklift attachments. Spill Tackle Super Sacks are ideal for widespread application in environmental cleanup, facilities with large volumes of hazardous discharge/ fluids, and for the solidification and disposal of drill cuttings, oily wastes, and sludges in oil and gas, as well as disposal and cleanup/disposal of by-products in plastic, glue, and makeup manufacturing.

PRODUCT: Spill Tackle Super Sack

SKU: STSS1250

PALLET QTY: 1250lb super sack/pallet

PALLET SPEC: 40" x 46" x 52"

“ Switching to Spill Tackle makes cleaning up spills efficient and saves me money. Period. ”

- AL LUNA, BNL ENVIRONMENTAL

SPILL TACKLE BUCKETS + DRUMS

Our buckets and drums are great options for operations or response teams that face frequent medium to large-sized spills.

FIVE GALLON BUCKET

Our 5 Gallon Bucket holds roughly 16lbs of loose Spill Tackle in a highly-visible bucket and features a handle for easy mobility, making it a practical option for service trucks or emergency response vehicles. It's often used in maintenance facilities, warehouses, and manufacturing plants as well.

PRODUCT: Spill Tackle 5 Gallon Bucket (absorbent only)

SKU: ST5GBA

PALLET QTY: 48, 5 gallon buckets

BUCKET SPECS: 12"x15", snap top, moisture proof

PALLET SPEC: 40"x48"x60"

Tip: Many facilities have a 55 gallon drum of product located in a strategic area of their building and refill it by purchasing our 20lb bags.

55 GALLON DRUM

For large-scale operations, there's no better product than this large, highly-visible drum holding roughly 185lbs of Spill Tackle. Ideal for shops, maintenance facilities, warehouses and many more, our 55 Gallon Drum provides bulk absorbent that can be applied on large or small spills using a container or scoop.

PRODUCT: Spill Tackle 55 Gallon Drum

SKU: ST55GDA

PALLET QTY: 4, 55 Gallon Drums

DRUM: 185lbs Spill Tackle, clamp lid, 35"x24"

PALLET SPEC: 40"x48"x44

FIVE GALLON BUCKET WITH BAGS

Our highly-visible bucket allows for easy storage, while conveniently sized bags enable quick deployment. These buckets are great for any company dealing with small spills on a daily or weekly basis, and the bags double as a means of disposal for spent sorbent material.

PRODUCT: Spill Tackle 5 Gallon Bucket with Bags

SKU: ST5GB3B

PALLET QTY: 48, 5 gallon buckets

BUCKET SPECS: 12"x15", snap top

PALLET SPEC: 40"x48"x60"

Tip: Refill your buckets with some of our 2lb or 5lb bags.

SPILL TACKLE SPILL KITS

Stop spills in their tracks and prevent further damage in a pinch with one of our three convenient kits.

CANVAS KIT

For the quick cleanup of a relatively small spill. Our Canvas Kit contains enough Spill Tackle to absorb up to 5 gallons of fluid.

- Durable canvas strap bag
- Two 4' socks
- 10 pads (5 universal, 5 oil-only)
- 4lbs of Spill Tackle
- Gloves, trash bag, & zip ties

PRODUCT: Spill Tackle Canvas Spill Kit
SKU: STCSK
PALLET QTY: 50, canvas spill kits/pallet
